INTERPRETING VOYANT RESULTS

Panel 1 provides three different ways of visualizing patterns of words in your collection of texts. You can toggle between them using the icons at the top of the panel.

Cirrus View: A word cloud with the words found most commonly in the documents; more common words appear larger.

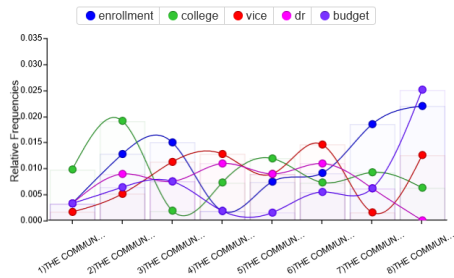

Terms View: Shows a trend line for the words that appear most frequently in the documents. The dots identify the individual documents with highest and lowest instances of each word.

Links View: Shows the frequency with which common words are linked together in phrases.

Panel 2: Visualizes trends in the frequency of words over time. The dots show the frequency of words in each individual document.

Panel 3: Visualizes the phrases that appear to the left and right of the most commonly used words in the text. The screen below shows the phrases that most often surrounded the word "enrollment."
